

Drillers

The Canadian Drilling Division of Calmena Energy Services is seeking to immediately hire Drillers to join our team in Alberta. Calmena Energy Services operates single hydraulic top-drive rigs with loading arm and a telescopic double.

Responsibilities:

DRILLERS are responsible for the drilling crew, operating rig controls and monitoring drilling operations; they oversee the work of and assist in training Leasehands/Floorhands/Motorhands/Derrickhands.

Qualifications:

- Familiar with the OH&S Act and Regulations
- Experience at the preceding level is required for all positions
- First Aid, H2S, WHMIS, TDG, PST, confined space entry, fall protection and high angle rescue are required
- Fire Extinguisher and Defensive Driving preferred
- First Line BOP course required
- Applications will only be considered from people who are authorised to work in this location by being a national of that country or region, or by holding a valid work permit

Calmena offers competitive compensation, retention bonuses and an excellent benefit plan.

If you are bright, hard-working, ethical, safe, energetic and career-oriented we are interested in speaking with you!

Interested applicants, please send an updated resume to resumes@calmena.com.

We thank you for your interest in Calmena!
