

## **Floorhands**

The Canadian Drilling Division of Calmena Energy Services is seeking to immediately hire Floorhands with valid tickets to join our team in Alberta. Calmena Energy Services operates single hydraulic top-drive rigs with loading arm and a telescopic double.

### **Responsibilities:**

FLOORHANDS work on the drilling floor and are responsible for preventative maintenance, and overall rig housekeeping procedures.

### **Qualifications:**

- Familiar with the OH&S Act and Regulations
- Experience at the preceding level is required for all positions
- First Aid, PST, TDG, H2S and WHMIS training required
- Confined space entry and fall protection training preferred
- Fire Extinguisher and Defensive Driving, Fall/High Angle Rescue, and First Line BOP courses would be considered beneficial
- Applications will only be considered from people who are authorised to work in this location by being a national of that country or region, or by holding a valid work permit

Calmena offers competitive compensation, retention bonuses and an excellent benefit plan.

If you are bright, hard-working, ethical, safe, energetic and career-oriented we are interested in speaking with you!

Interested applicants, please send an updated resume to [resumes@calmena.com](mailto:resumes@calmena.com).

We thank you for your interest in Calmena!
