

Frac Fluids – Class 1 and Class 5 Truck Drivers

Calmena Energy Services is a fast-growing Oilfield services company with opportunities to grow and advance within its Frac Fluids Division in Drumheller. Positions are open for bed truck, picker, and hot oiler, and tractor trailer tank truck operators. We are also accepting resumes from class 5 licensed drivers interested in training for a long term career in the industry.

Completion of a 6-month, hands on training course for Class 5 (entry level) drivers by more senior personal and management will be followed by an additional 6 months of experience before moving up to a class 1 driver (provided the employee has no incidents and no moving violation tickets).

Qualifications:

- All drivers must have maintained a clean drivers abstract (with less than seven demerit points) and all required tickets (H2S, First Aid, and Confined Space).
- Tank, Hot Oiler truck experience, and/or a Picker ticket would be considered an asset.
- Safety-conscious, performance-oriented and positive attitude towards the job and the Company.

If you are bright, hard-working, ethical, safe, energetic and career-oriented we are interested in speaking with you!

Calmena offers competitive salaries and day rates, plus an excellent benefit plan.

Interested applicants, please send an updated resume to resumes@calmena.com.

We thank you for your interest in Calmena!
