

Motorhands

The Canadian Drilling Division of Calmena Energy Services is seeking to immediately hire Motorhands with valid tickets to join our team in Alberta. Calmena Energy Services operates single hydraulic top-drive rigs with loading arm and a telescopic double.

Responsibilities:

MOTORHANDS assist with training Leasehands/Floorhands and are responsible for maintenance of the engines and auxiliary systems.

Qualifications:

- Familiar with the OH&S Act and Regulations
- Experience at the preceding level is required for all positions
- First Aid, PST, TDG, H2S and WHMIS training required
- Confined space entry and fall protection training required
- Fire Extinguisher and Defensive Driving, Fall/High Angle Rescue, and First Line BOP courses would be considered beneficial
- Applications will only be considered from people who are authorised to work in this location by being a national of that country or region, or by holding a valid work permit

Calmena offers competitive compensation, retention bonuses and an excellent benefit plan.

If you are bright, hard-working, ethical, safe, energetic and career-oriented we are interested in speaking with you!

Interested applicants, please send an updated resume to resumes@calmena.com.

We thank you for your interest in Calmena!
