

Wireline Supervisors and Operators

Calmena Energy Services is a fast-growing Oilfield services company with opportunities to grow and advance within its Wireline locations in Red Deer and Grande Prairie.

If you are bright, hard-working, ethical, safe, energetic and career-oriented we are interested in speaking with you!

Currently, Calmena has immediate openings for Wireline Supervisors and Operators.

Wireline Supervisors should have at least 3 years of experience in electric Wireline services with valid blasters permits.

Operators will not require any experience for entry-level positions, but at least 1 year of experience in oilfield services is preferred. A class 3 driver's license with air is required.

All applicants must have a valid drivers' license and are asked to submit a current driver's abstract. Preference will be given to candidates with logging experience and pressure control training and experience.

Calmena offers competitive salaries and day rates, plus an excellent benefit plan.

Interested applicants, please send an updated resume to resumes@calmena.com.

We thank you for your interest in Calmena!
