

Wireline Operators

Calmena Energy Services is a fast-growing Oilfield services company with opportunities to grow and advance within its Wireline locations in Red Deer and Grande Prairie.

Responsibilities:

Field Operators are responsible for the maintenance of wireline equipment and completing accurate paperwork while maintaining a positive attitude towards the Company and the job.

Qualifications:

- Operators will not require any experience for entry-level positions, but at least 1 year of experience in oilfield services is preferred
- Class 3 driver's license with air is required
- All applicants must have a valid drivers' license and are asked to submit a current driver's abstract
- Preference will be given to candidates with logging experience and pressure control training and experience
- Applications will only be considered from people who are authorised to work in this location by being a national of that country or region, or by holding a valid work permit

Calmena offers competitive salaries and day rates, plus an excellent benefit plan.

If you are bright, hard-working, ethical, safe, energetic and career-oriented we are interested in speaking with you!

Interested applicants, please send an updated resume to resumes@calmena.com.

We thank you for your interest in Calmena!
